

## Ideal Protein

Ideal Protein is ideal for those who want to reach and maintain a healthy weight by primarily **reducing body fat** and **retaining muscle mass**.

It's also **an excellent cellulite treatment**. Ideal Protein's targeted approach and detoxifying effect shrink fat cells, thereby eliminating most cellulite. Since Ideal Protein contains a significant amount of high biological value protein, it revitalizes and softens the skin by providing it with the nutrients it needs.

Ideal Protein is an excellent daily protein supplement at breakfast, lunch or dinner, ideal for individuals **who want to build or retain their muscle mass**. We offer a wide range of [entrees](#), [desserts](#), [snacks](#) and [beverages](#). Because it's low-carb, it's even perfect for diabetics.
